

2020 CELEBRATING 10 YEARS OF SERVICE

The Arc of North Central Virginia

FAMILY EVENTS

Arc at the Park

Two community events were held in Fall 2019 at the accessible playgrounds in Warrenton and Culpeper. Partnering with Families 4 Fauquier and Shooting Stars, we were supported by dozens of volunteers and connected with more than 50 families.

FAMILY CONSULTS

Individual family consults, our core service, connect families with needed information and resources. Though we are a small organization, our local, state, and national connections support access to a wide array of options for resources and information to help families navigate Virginia's complex and ever-changing disability system.

Our hearts are filled with gratitude for your continued support for our organization and mission. We have grown by leaps and bounds this past year. Hiring our first part-time Executive Director has enabled us to connect with more families and partner with more community organizations than ever before. With your help, we are building a community where all are valued and have access to the supports they need to live the lives of their choosing.

VISION

Working to build communities where people with intellectual and developmental disabilities are valued and included as classmates, coworkers, neighbors, citizens and friends.

The Arc of North Central Virginia is a local chapter of the world's largest community-based organization of, and for, people with intellectual and developmental disabilities, serving the counties of Culpeper, Fauquier, Madison, Orange, and Rappahannock. We are a small, grassroots, 501(c)(3) non-profit organization funded exclusively by public and private sector sponsors, and governed by a local volunteer board of directors.

Our five-county service area is home to...

more than 6,700
people with intellectual
disabilities

approximately 3,300
students attending public
schools receive special
education services

Based on data from the 2013-2017 American
Community Survey 5-Year Estimates, and
the 2017 VDOE December Child Count
